

## JaLaChamp 2024 Video Creation Hints

Before you make your video, why not take a look at this sheet and come up with some ideas!

 **Step 1** Brainstorm the content of your video based on the theme provided.  
The questions on the next page may help you brainstorm!

 **Step 2** Think about the structure and style of your video.  
You can make your video using any style, such as in the style of a speech, a show & tell style, a drama style, an academic presentation style, a documentary style, an animation style and more.  
Be creative to the fullest!

 **Step 3** Edit your video.  
Don't forget to add subtitles in English, the title of your video and the credits. Make sure to also be careful about copyright.  
Carefully read the application guidelines!

If you do not know how to edit a video, you can use the internet and look up how to do it!

Maybe you can get ideas from YouTube, television or other videos from around the world on how to make fantastic videos!

You can watch the finalists' videos from JaLaChamp 2023 [here](#) or you can use the QR code below me!

### わたし 私 (たち) まち の町 **Where I/We Live**

- What is it like where you live? What is there?
- What do you like about where you live?
- What are you proud of where you live?
- What do you want to tell or show people who don't know about where you live?

### わたし 私 (たち) とくい の得意なこと **My /Our Talent**

- What are you good at? What are you not good at?  
Sports? Music? Studying? A unique way of thinking? Teamwork?
- Is this a unique talent of yours?  
Compare other people's talents and yours!
- In a group, does each group member may have a different talent, or are there maybe talents that can only be demonstrated when all group members work together?
- Why are you good at your talent? What made you be good at it?

### わたし 私 (たち) みらい が のこ 未来に残したいもの

### **What I/We Want to Save for the Future**

- What is important to you now? Or what do you want to make important in the future?
- Is it a thing? Action? Condition? Feeling? Sensation? Attitude?  
Why is it significant to you?
- What benefits will be derived and to whom and where by saving it for the future?  
In what way will the benefits be useful?
- Conversely, is there anything you don't want to keep in the future?
