

## JaLaChamp 2026

### Japanese Language Championship for Young Learners UK

#### Parent/Guardian Consent Form (Video Category)

Please read the following two clauses carefully and sign the agreement at the bottom of the page. This form may be signed by EITHER the parent OR the guardian of the student, providing that the parent OR guardian understands the overall guidelines:

1. I agree to the three items below regarding my child's (the Participant) participation in **JaLaChamp** (the Event) run by The Japan Foundation, London (The Japan Foundation):
  - The video the Participant has created and submitted for JaLaChamp will be made available to the public on the organiser's YouTube channel and website, together with other participants' videos. (We are planning to show all student works and announce contest results on YouTube).
  - The Participant's name\* in the credits of the video and their school name/s will also be used for uploading the video.
    - \* It is possible to have only their first name or nickname in the credit of the video.
  - The video and information in the credit will be used by The Japan Foundation for publicity and reporting purposes, including the Event programme and reports about the Event which may be uploaded on their websites.

☐ I consent to Clause 1.

If you have any requests with regards to the use of the submitted video, please specify:

☐ I do not consent to Clause 1.

2. I consent to the four items below:

If the submitted video is accepted for the Finals Day of the Event,

  - The submitted video will be played at the Finals Day of the Event.
  - The Participant will take part in the Finals Day, which will also be livestreamed for people related to the finalists (families, friends and teachers of finalists) and sponsors of the Event\*\*.

\*\*If the Participant has applied as a group or a class, we would like at least one member of the group to attend Finals Day. Please note that this form needs to be submitted for your group's video to be shown on Finals Day regardless of the Participant 's attendance.

  - The video and information in the credits will be used by The Japan Foundation for publicity and reporting purposes, including the Event programme and reports about the Event which may be uploaded on their websites.
  - Any photographs taken of the Participant by the organiser during the Finals Day of the Event to be used for publicity and reporting purposes by The Japan Foundation, including its offices in Japan and overseas, as well as by sponsors of the Event, and by all schools that have submitted videos to the Event. This applies to the websites of these organisations, in matters related to future events etc., and in reports about the Event.
